

RICH COTTON APPARELS LIMITED

100% export oriented woven garments factory

COMPANY PROFILE

www.richcottonapparels.net

RICH COTTON APPARELS LIMITED is 100% export-oriented woven garment manufacturer, specializing in high-quality bottoms for men's, ladies and kids. We have built a strong commitment to quality, on-time delivery and worker safety in our factory premises. We are proudly serving few of leading international brands with consistency and great care.

Our production facility is equipped with modern machineries and operated by a skilled and experienced workforce. We have developed and guarantee direct raw materials sourcing and ensure smooth production process.

We hold several social, safety and product certifications from different global institutions. Currently we have valid certifications as BSCI (Amfori), SMETA (Sedex), WRAP, C-TPAT, RSC, OEKO-TEX Standard 100, BETTER COTTON (BCI), GOTS, OCS, GRS, RCS, LEED, ISO 9001:2015, and ISO 14001:2015.

As a proud member of the RMG Sustainability Council (RSC), we are dedicated to maintain high standards of fire safety, structural integrity, and electrical safety within our factory premises.

At Rich Cotton Apparels, we strive to blend ethical manufacturing with world-class quality, aiming to deliver garments that meet the expectations of valued global brands.
